These modern one-story and two-story-on-slab cottages range from approximately 1,100 to 1,350 square feet and offer two bedrooms, two bathrooms, a two-car attached garage, and a patio yard—starting in the low \$300s. We are grateful to the Iowa Economic Development Authority for supporting this initiative through grant funding.

Located in Cumming, Iowa, along Highway G14, the homes provide direct access to the Great Western Bike Trail, Middlebrook Meadow, and walking paths. They're also within walking distance of Fridays at the Farm, Iowa Distilling, the Cumming Tap, Wilson's Orchard & Ciderhouse, and Middlebrook Mercantile.
