WEATHER

If we need to cancel due to weather, we will announce by 4:00 PM or sooner. We will move the musician and a food truck to Middlebrook Mercantile from 4:30 PM - 6:30 PM.

FOOD & DRINKS

Sip Capital Call Vintners' wine by the glass or bottle from our vintage Wine Wagen. Find beer, seltzers, canned wine, and water under the beer tent. Each week features rotating food trucks with main dishes and desserts (most food trucks also offer soft drinks).
No outside alcoholic drinks or coolers are permitted.

PARKING

Park in Middlebrook Town Center (south of G14/Cumming Avenue) along S 44th Street or Main Street, or in our field parking (accessible from Town Center, signs will guide you).

MORE FUN

Explore a farmer's market featuring local vendors. Kids can enjoy yard games like soccer and Gaga ball. Wander through the Town Garden, say hi to the chickens, and visit the Farm Stand—stock up on farm-grown produce and build your own bouquet in the you-pick flower field!

AFTER PARTY

Not ready to head home? Keep the evening going with live music at the Mercantile (just across the street) from 7:00 PM – 10:00 PM!

ACCESSIBILITY

Fridays at the Farm is an outdoor event held on natural terrain, including grass, mulch, and gravel, with some uneven areas. Parking near the Farm Grounds fills up quickly, so we recommend arriving as close to the 4:30 PM start time as possible to secure a nearby spot. There will be porta-potties available on site (including a handicap-accessible unit). Please note that accessing the Farm Stand requires stepping up into the structure.

EVENT POLICIES

Pets are permitted provided they remain leashed and are not causing a disturbance to other guests (owners of off-leash and/or disruptive pets will be asked to leave).

Use of tobacco products, including but not limited to smoking, vaping, and chewing, is prohibited on the Farm Grounds.

The lost and found is located in the Farm Stand in Middlebrook's Town Garden.
